

The Outreach Grant Committee of St. Francis of Assisi Parish is meeting to distribute the funds that are entrusted to us from the parish. These funds are donated through the pink envelope in the parish envelope packet. Outreach funds are given to projects that empower our parishioners to respond to the brokenness in the human community both locally and globally. Criteria for Parish Outreach Grant approval include that the funded project would:

- Empower a number of parishioners to involve themselves in some work of compassion. (reflected in your answer to Question 5 on grant application)
- Be consistent with Gospel values of justice and peacemaking.
- Be reasonable in scope.

We will disburse our parish monies by the end of June.

You are invited to make a grant application for a nonprofit service organization in which you are involved.
