Confirmation 2021-22

September 15, 2021

Dear Parents,

We hope this letter finds your family well. It is time for us to begin turning our attention to Confirmation. Our parish records show that you have a son or daughter who has not been confirmed. Confirmation will be celebrated this year with Fr. Steve Angi, Chancellor for the Archdiocese of Cincinnati on Saturday, May 7th at 5:00 p.m.

Any student in the 8th-10th grade who wishes to be confirmed must be enrolled in a religious education program **and** take part in our Confirmation Ministry. Attached is a *Calendar of Events*. We understand that your lives are busy, but we trust that having your son or daughter confirmed is important to his or her faith development; and therefore, a priority. We have tried our best to take this into account in designing this ministry. If any of these dates become an issue for your family, please contact us as soon as possible, so we can make alternate arrangements.

We will have additional information spelled out in our Confirmation Handbook, which we will have online this Friday.

Please note that our primary form of communicating information to you from this moment forward will be through our parish Flocknote system. These emails will come to you from **Confirmation 2021-22**. Please be on the lookout for them.

We look forward to meeting with you and are excited about working with your teen!

God Bless,
