

I trust you to take my hand as I reach out to touch you. I step forward in faith and in joy because I believe the good work that has begun in me will continue being perfected and brought to its full completion for your Glory.

I want to grow in a deeper and intimate knowledge of Your Presence and Love.

I pray that I can know and understand the Hope promised through you. Help me walk with courage and trusting you with the outcome, so that I may do the Father's will and bear fruit in my life.

In Jesus's Name I pray    Amen

This prayer is based on Scripture: Eph. 1:17-21, Col. 1:10-11, Mk. 5:28, 41, Jn. 15: 14-16, and Phil. 1:6
